

# Flowers for the Adornment of the Sanctuary 2010

The adornment of the Sanctuary with plants, flowers and other gifts from God is a marvelous way of enhancing our corporate worship, and is also a way for us to remember loved ones and to give thanks to God for people and events in our lives. You may sign up to donate these decorations by filling out the information below. There can be more than one donor for any date, as we wish to provide as much opportunity as possible for people to remember those people and events that are important to them.

The donation for the decorations is \$45.00, which must be received at the church before the date you have reserved. There are no sanctuary decorations during Lent, and the Flower Guild will determine the type of decoration that is appropriate both for the calendar year and for the liturgical season.

If you have any questions, please call Linda Rhines at 985-9493.  
Checks can be made payable to **“St. David’s Flower Guild”** and mailed to
